

Price list — procurement costs per case

Founders1 GmbH — STP Business Information GmbH · version of 2026-09-14

This Annex forms part of the Reseller Agreement in the version attached at signature. It is amended **only under clause 8.6** — not before twelve months have run, then on 60 days' notice; for a change in a register's own fees on 30 days' notice with evidence, and STP may terminate the affected jurisdiction within 14 days. It is confidential under clause 11.

1 Cost per tier

These are the amounts Annex 2.1 refers to as „the procurement cost for that jurisdiction“. They are the **procurement cost per case** for a jurisdiction in that tier. The list price column is shown for orientation only and is not the basis of any settlement.

TIER	PROCUREMENT COST	LIST PRICE	JURISDICTIONS
A	10,80 €	15,00 €	104
B	26,70 €	35,00 €	35
C	54,50 €	70,00 €	12
D	70,50 €	90,00 €	1

2 Individually priced jurisdictions

JURISDICTION	PROCUREMENT COST	SOURCED VIA
United Kingdom	1,70 €	supplier home band
Germany	6,30 €	own direct route
United States	17,35 €	supplier home band

Founders1 procures Germany, France, Denmark through its **own routes**. The remaining jurisdictions in the table above are individually priced but not own-sourced; the distinction matters for Annex 2.5 and is recorded here rather than in the Agreement.

United States: the register is per state and availability is determined per state. The amount above is the contracted case fee and does not warrant that every state resolves.

3 Surcharges

A case that has to be worked manually carries **3,50 €** in addition. Surcharges for additional documents (Annex 2.3) are per jurisdiction and per document kind and are added to this list as they are agreed; an amount not stated here is not charged.
